

Dolores B. Baker

February 6, 1926 - January 22, 2020

Dolores (Dee) Boisvert Baker passed away peacefully on January 22, 2020 with her youngest son William by her side.

Dee was born to a devout Catholic family in Little Falls, Minnesota on February 6, 1926. She was the fifth child born to a family of nine and survived by three of her siblings. After a short romance, she married Robert Baker in 1946 and raised her four boys, Richard, John, James, and William in Fullerton, California. From those boys, one would often hear Dee saying how thankful she was for her three daughters-in-law, her four grandchildren, and her six great-grandchildren. Family and her Catholic faith were her dearest treasures.

Dee loved keeping up on her secretarial skills and spent almost 15 years as the secretary for the City of Buena Park. After her retirement, she gave much of her time serving as the secretary for various charitable organizations, such as the Assistance League, the Fullerton Light Opera, and the Needlework Guild of America. Dee loved playing bridge and belonged to five different clubs. She remained a graceful, elegant socialite both at St. Mary's and her bridge clubs up until her passing. Every night before bed she would practice yoga before reciting her rosary. Dee shared that her large family taught her to live a life of patience, humility, respect, teamwork, and love.

She will be deeply missed by her family and friends. A viewing will be held at Memory Garden Mortuary in the Williamsburg Chapel on Wednesday, February 5, 2020 from 5:00pm to 9:00pm. Burial will be on Thursday, February 6, 2020 at 12:00pm at Memory Garden Memorial Park.

“ For the last 42 years Dee was a best friend, and a mother to me. She would love to go for lunch together and shopping for antique rings. We would have a blast. Through the years Dee would bring me to the many organizations that she was a part of. At the Assistance League she would have me help decorate the bridge tables, and at Needlework Guild we would shop for clothes which help children in need. Through the years she showed such grace in all that she did. She taught me many life lessons that I will hold close to my heart. God was always such an important part of her life. These last few months I have the great pleasure of spending many hours with her. Our talks were beautiful. We talked about her days as a young girl, marriage, children, and so much more. There were no topics that we didn't touch on. She had a life full of family, travel and friends. Dee had the kindest heart of anyone I know. She was so gracious and inspirational to me and all that new her. We all loved her. Today we lay her to rest but her memories will live on in our hearts forever. I love you Dee Margie Baker

“ Our family gatherings will not be the same without Dee. She was always dressed to the nines without a hair out of place. She will be missed.

Our sympathy goes out to all the boys, daughters-in law, grand children and great grand children. She may have passed on to be with Bob, but remember she will always be in your hearts and watching over everyone.

“ I've known Dee for so long she felt like another Mom to me, and Grandmother to my kids. Dee was always there to help me with my career goals. I entered the corporate world at 18 years old, and she had so much advice that guided me to the best decisions. Dee never hesitated to write the most amazing professional recommendations that account for many successes in my career. I enjoyed our conversations over wine about business, stocks, and life. I will miss this very much. We take comfort knowing she is with Bob now who we loved and miss as well. Hugs, and prayers to the Baker family at this time of sorrow.
