“ Ron was a great cousin and was like a brother to me. I have many fond memories of us getting into mischief and having fun adventures. He was a good family man and he and Mary Jane always remembered my parents. I am sorry not to be there for a final good-bye but am so thankful that I saw him a few months ago.

“ RON became Chief of Police for the City of La Habra 1976. At that time I was in the Orange County Academy so he "inherited" me from the previous Chief. His leadership provided a progressive, effective and principle based culture for the LHPD. During his many years at the helm, I was promoted several times and eventually, he promoted me to Captain, where I had the pleasure of working with him on a daily basis.

His most memorable quote to me was made during a difficult personnel matter in which we received the advice of three well established and trusted attorneys, who did not agree on how to address the various issues. After these discussions, we talked and RON said "JOHN, WE HAVE TO LISTEN TO THE LAWYERS, BUT WE CAN'T LET THEM RUN THE PLACE! GIVE ME YOUR RECOMMENDATIONS AND REASONING ON MONDAY!" So I did and we eventually resolved to situation. It interesting that following his tenure as Chief, he went to and completed law school.

RON was a good man who lived great life. The MEEHAN clan should be very proud of his life choices and many accomplishments. Maryjane, we will be thinking and praying for you and the MEEHAN family.

“ I never met Ron Meehan but My biological father was George HURLBURT, Who was Ron's mother's Brother. This makes me his cousin, but I have never met him face to face. My sincerest sympathy to his wife.

“ My dad my hero !

“ I have to admit when I first met Ron, after marrying his nephew, James, he was a bit intimidating and scary. Wasn't sure what to think of him; but after a while and for the past 43 years he has shown us over and over the sweet, kind, and generous man he truly was. He was a gentle giant and will truly be missed.

Love and hugs to Mary Jane and the entire family. I know Ron is looking down and smiling on all of you. He always bragged on each and every one of his kids and grandkids and you could see the love in his eyes.
