January 8, 1957 - January 4, 2019

Alain Yuk Lun Yuen, 61, of Chino Hills, California passed away peacefully in his home on January 4, 2019.

He also leaves to cherish his memory 3 older sisters: Lucilla Chan (Peter), Martha Yuen, and Susan Mack (Eldon) as well as several beloved nieces and nephews. His wife and children will admirably remember him as a pillar of strength, kind hearted, loving, generous, dependable and will miss his humor.

Alain was a respected leader in the hobby & hospitality industries for over 40 years with considerable influence across North America and Asia. He endlessly loved his wife, Judith, and was very proud of his children. Alain was looking forward to retiring in the near future, with plans to travel with his wife and family, as well as enjoy time with his adored grand-dogs.

A viewing and service is scheduled for January 10, 2019 at Memory Garden Memorial in Brea, California. The public viewing will be at 2:30pm, and the service will be at 3pm. “ I've only just heard that we have lost Alain. I knew him for many years through my association with Dragon Models and we had many fine conversations when I visited Mikerian. Alain was always quick to help with any concerns that I had and was always kind and considerate when doing so. He was a fine person and I always looked forward to our next communication. My condolences to all his family and friends.

“ Alain you showed me the value of taking a genuine interest in your customers. I remember many fun times at Mikerian Mercantile many years ago. You took an interest in me when I knew nothing and I will always appreciate that. RIP Alain.

“ Yuen family, words cannot adequately describe the loss of a friend we have traveled many life journeys with for many years, but the one word that always comes up when I think of Alain is service. He truly lived a life of service, considering the needs of others first, always attentive, always willing to do the best he could in any situation. We will all miss him very much, and we pray that you take comfort in knowing that he touched so many lives with his grace and left us all the better for it.

“ I've had the honor of knowing Alain as a co-worker, my mentor, and a friend. We shared the same office for 6 years, and the highlight of each day was going out to lunch together to take a small break from work to talk and joke around. Together we must have tried every single chinese style cafe restaurants in Hacienda Heights.

Alain was also the most dedicated and hard working person I know. Through ups and down, he never complains and keeps powering through. Those who have worked with him I feel have more or less picked up these positive traits, and I'll forever be grateful for how he touched our lives. He will be sorely missed, but never be forgotten.

My family wishes to offer our deepest condolences to the Yuen family.

“ I am very grateful to have had the opportunity to work with Alain, who was hands down the greatest boss ever. Although I've only worked with him for 2 years it was more than enough time to see how great and kind he was. Weither it was letting me leave work early to go to the DMV to get new tags or handing out gift cards during the holidays. Little things like that go a long way I know he didn't have to go out of his way like that but he continued to do so no matter what and I truly appreciate that because that's hard to come by these days. Every now and then I wouldn't have my hat on and we would run into each other usually at our favorite spot (the water machine) and he would stop and say "ahh you're a madman with all that hair!"😂 that made me laugh every time and it definately made him laugh too. Thank you so much for all you have done for me I truly appreciate it **HAPPY BIRTHDAY AND REST PEACEFULLY IN PARADISE** 🙏

“Alain, a man of few words but the ones he did speak were hilarious. You are the example of what every father and man should be. You worked so hard and always provided a beautiful life for your family. I can't even say you went with out so they could have the best because you never seemed to mind what you had. Your cooking skills were off the charts and you never failed to make me keep eating! I wish i could have thanked you more for being so incredible. Thank you Alain for always asking about my son, and making me forget where he was. Thank you Alain for serving me my food at the dinner you paid for, even though you didn't serve Meggy. Thank you Alain for taking a random parking lot photo with me, even though i know you hated every second of it. Thank you Alain for caring about me. Thank you Alain most of all for giving me my best friend and for giving me a second group of people including yourself that i call family. I will miss constantly asking Meggy and Judy how you are and getting upset with them at you for not listening. And also cracking up with them at the things you would say. I have learned so much from you and i have decided to adopt some Alain behaviors into my own life. Until i see you again! I love you <3

“ *My most sincere condolences to all the family. Alain was and will always be the best boss ever! I had the privilege to be his assistant and worked for him for almost 14 years. On January 3rd, it was my birthday, I remember him coming to my desk and asking why I looked so depressed. He said cheer up, birthdays are meant to be happy, age is just a number it all depends on how you feel. I remember him trying to cheer me up all day and just giving me his best advice. The last words he said to me before I clocked out was: Happy birthday and smiled at me. I will forever be grateful for all you did for me Boss, thank you and may you rest in peace you will always be missed but never forgotten.* ”
