“ There’s a lot I can say about my good friend Andrew. He is one of the most kind-hearted individuals I have ever met. He can truly light up a room with his warm and bright smile. He is a major influence in my life and I’ll forever be grateful for the memories we’ve made together. Above all, Andrew is my friend, my right tackle, and my brother. My heart, soul, prayers, love, and thoughts go out to Andrew’s parents and his family. Although Andrew is no longer with us he’s smiling down hard on all of us. I know he is, that’s the type of person Andrew Aguilar is. I know he would want all of us to celebrate his life in a way that best reflects who he is. A humble, warm, loving, caring, beautiful individual. I have had the pleasure of knowing Andrew for many years and I can honestly say he’s a big teddy bear. Andrew would always greet me with a huge hug every time we’d see each other. I feel safe whenever i’m with Andrew and cherish our friendship. From meeting in middle school to becoming great teammates, Andrew was a great offensive lineman. I look up to Andrew because he always believed in me and knew I was going to be successful one day. I dedicate this message to you my brother. Here’s to my good friend Andrew Aguilar, I love you very much and I can’t wait to see you again one day!
