“ Life is so unreal. I am in total disbelief. I can't believe this happened. I can't even express the way I feel. Charlie misses you alot. He looks at the door waiting for you. How could I explain to him, that his favorite human will never return home? His eyes tell me so many things..... I know he barks.... Sometimes I think he sees you. When he jumps..... May you have eternal rest.

“ May the God of all comfort strengthen the family during this time of deep sorrow. Those who pass on, God keeps in his memory because they are precious in his eyes. My sincerest condolences. (Psalms 116:15)
