“ *Bela was more than an all'Ohio selection is soccer. He was a wonderful individual on a personal level. Those who knew him, remember Bela as a gentle, compassionate and devoted friend. He was a "class act" and a great Hungarian whose family always came first. He will be sorely missed by all whose destinies intersected with his. He left behind a wonderful wife and remarkable kids. Our prayers and thoughts are with them during this time of loss.*

“ *Bela was my first lead when I joined Hughes way back in 1981 as a brand new engineer, fresh out of college. He was instrumental in turning this "diamond in the rough" into a fairly patient engineer and project manager; and I really appreciated that. (over the years, when I encounter the brash, young, enthusiastic engineers, I keep thinking back to how much work I must have been for Bela, and I smile inside, then silently thank Bela again for his infinite patience!)Even though I only worked with him for the four years I was at Hughes, he and Jenny were such good friends that we have been exchanging Christmas cards with him and his family ever since.My heart goes out to the Hargittay family. I will miss Bela.*

“ *I worked with Bela on several radar projects at Hughes Aircraft in Fullerton. He was a competent engineer, collaborative team member and gentleman. I'm sorry to hear of his passing. My condolences to his family.*

“ *Béla was my best friend for over fifty plus years. We shared some remarkable times over the long years. Later as we lived our own separate lives on opposite sides of this country we still stayed in touch with each other. This was easy because Béla was such an easy going and friendly, and proper in all respects type of individual. His family reflects all that was the best in him. It is his smile that I will hold in my memory, the smile that carried the aroma of friendliness. Farewell and so long, my dear friend.---István*

“ *Bela was and intelligent, elegant, gentle and uniquely easy to like friend for life. He will be missed by many on two continents. I wish his family comfort in the memory of a life well lived. While he was talented, not ugly and successful, his sticking characteristic was his humbleness. He has passed to another life; I believe that his qualities will live on in the lives of all who lived him. As many of us remember our joyful youth growing up in Cleveland, we only wish to say, “See you soon!” Puki*
