

## Benjamin Bentancourt Rico

August 1, 1990 - January 29, 2018

### Life Legacy

Benjamin Rico was a loving son, grandson brother, nephew, and cousin. One with a pure heart. He desired to put a smile on the faces of others and rejoiced in the happiness of family. He lit up the room with his jokes and filled the household with laughter. He was kind and always a gentlemen, with a genuine interest in putting others first. He was a servant in all his ways, ready to extend a helpful hand. He was aqua-man as he enjoyed swimming for hours, and was always the first to throw someone in the pool just for laughs. He was comical and could entertain everyone for hours with impersonations of every family member. We would laugh until it hurt as we guessed who he was impersonating. He loved to BBQ. It was bonding with the ones he loved that brought him Joy. He did everything whole heartedly and was a hard worker. He never wanted to disappoint anyone because he was a man of dignity and respect. He was light in darkness and will never be forgotten. We love you Benjamin!!!
