“ Denise, Darci and Dirk I am so sorry for your loss. I loved my Aunt Betty so much. She always took such an interest in all of us kids (6) when she came to visit in WI. I suppose that makes sense since she was a teacher. I remember hearing about her classroom and would have loved to have her as my teacher. Instead I guess I followed in her footsteps by becoming a teacher too! The last time I visited with Aunt Betty was in Cumberland, WI. I sure hope that you three come to WI again soon to reconnect. She brings that Charron generation to a close. My sympathy to all of you and your families. Leslie (Charron) Miles

Worked with Betty in the SWSD for years. Joined Betty at many Ted Hat functions!

The greatest woman! Hysterically funny, witty with a dry sense of humor! Refused to be handicapped.

No longer in the area. Retired spending most of my time up north.

One smart woman who would always tell you the truth! The best of the best!

“ *These photos were from the last time I visited my Aunt Betty in August 2015. She was my cool aunt who took us to the beach when we were kids. I also remember the fun tandem bike she had. My brother and I used to ride it around her neighborhood. She introduced me to game shows like The Price is Right, Family Feud and The Match Game. We even went to a taping of The Match Game and tried to get on Family Feud. I still love game shows today.*
