“ A couple times a year I browse through the obituaries and find myself surprised when I come across someone I know. This was a complete shock to me. Billie was a great person and a great bowling teammate. Many times I spent time, dinner at Billie's house. Many times I spent with her in Las Vegas. She introduced me to someone I spent years being in love with. Her daughter Christine. I will always cherish the memories and laughs Billie provided. Larry Grummett

“ My Aunt Billie was the sweetest person. She had her own way of doing things and showing emotions but had the biggest heart. She would always make you laugh at family functions when she made her faces or comments. You could always depend on Aunt Billie. I will miss her dearly.
