“ *For the last 11 years, you have made an immeasurable impact on my life. You always had the best advice, you were always there for me - we always had each other's backs. I am so grateful for every single day, every conversation, every note you played on your guitar, your jokes & silly sense of humor, your mental clarity when I was hystserical, your guidance, your logic & unappreciated perspective. You are the best friend I have ever had. The void left by your absence is overwhelming.. no one can ever take your place. Rest in peace, B. 😭 ❤️*
