“ Dearest Carolyn, although the time knowing you was brief, the memories I was blessed to experience will last forever. After attending your memorial, it’s so beautiful to see you left your mark in the hearts who knew you. One always wonders how there will be remembered. I can only pray that we all will be remembered with the fondness those will continue to remember and love you. Rest in Paradise and know how very loved you are 🕊️

“ Aaron and family, thank you for posting all the photos and the video tribute to Aunt Carolyn. I wish I had been able to see more of her. I always wanted to come to California and she continued to ask me why I hadn’t made the trip yet. I will always remember her smile and laugh. It lit up a room, and it’s what I will remember most of her.

*What a beautiful tribute to your amazing life by our grandson Andrew. You must be dancing in Heaven. Ana and I were so blessed to have shared our grandchildren Adam, Andrew and Amanda with such loving grandparents like you and Herb. We are eternally grateful for all the love you both gave them. We know they are going through a difficult time now but we pray that the memory of your love for them will guide them through the rest of their lives, Until we meet again may God hold you in the Palm of His Hands

Andrew, great tribute to your grandma. She loved all of you so much. At bingo She always talked about how proud she was of her family and we would sing Que Sera at least once a night.

“Mother & Son Tribute”

The mutual love began the day you were born. The mutual deep love between Carolyn and Aaron was heartwarming and so special to witness. They loved to sing, dance and laugh together. They always had a cute banter amongst them. Carolyn would always light up when she got to see and spend time with Aaron. On the days Aaron would plan to spend a special mom and son day with her, she would be all dressed and eagerly waiting hours in advance on her front porch.

Aaron was an amazing son who loved his mom dearly. There was not a day that went by without him speaking to his mom at least once or twice a day. He always made sure to visit her often during the week and made ensure all her shopping and necessities were done. During every visit they would go out for a special meal to ensure she had a nice hearty meal she enjoyed. Aaron was the one who took her to all her doctor's appointments and always made the time to prioritize his mom.

His kindness goes beyond his mom. I will never forget when he came home one day and I asked how his mom's doctor appointment went and he said..."oh that appointment was not for my mom. One of her neighbors was having an eye procedure so I volunteered to take her". That touched my heart.

A parent / child love is so deep and unconditional. The love that Aaron had for his mom and has for his three children: Adam, Andrew and Amanda are so deep anytime he speaks of any of them he tears up.

Dearest Carolyn - Aaron misses dearly. You will be missed but not forgotten.

Dearest Aaron - you were the perfect son.

All my love to all,

Mona

We were blessed and grateful for the time we had with Carolyn. Carolyn was such a kind, warm and loving beautiful woman that loved to joke and have a good time.

Going to miss our one on one time together going to Joann's, getting our nails done and can forget all the yummy meals we enjoyed together.

My last fond recently memory of Carolyn was in the kitchen. I was making guacamole and she could not figure out what I was making. She said "you're making Guacawhaaaa?" I was amazed to find out that was the first time she ever tried guacamole and to no surprise really enjoyed it.

We miss you already Carolyn. May you Rest In Peace.

Love always,

Mona

“ Carolyn had a great personality and was always making me laugh. I can't tell you how many times she would walk into the mens bath room and not realise it till she was washing her hand and seeing a man standing next to her. She would come out laughing and embarrassed. We would laugh about it for days to come. I will really miss her. ❤️
