“ My heart was so saddened to learn tonight (12/4/20) of the death of my dear sweet beautiful friend Cindy. Her smile lit up the room and I still can remember her laugh till this day. She was a wonderful friend. We worked together at Primus Automotive Financial Services back in the late 1990's and she attended my wedding. We shared many times and seasons together and I was hoping to reconnect, but sadly that won't be possible now. I'm heartbroken. Her memory will reside forever in my heart. May G-d give her children peace and comfort. Rest in Peace my sweet girl. Love always and forever,
Susan Grondin

“ Cindy and I lived on the same street as we raised our children. We went through a lot together! Later, after I moved, I found there were times that she had my back... And I didn't even know it! Wow!
Thank you Cindy!
