I'm going to miss u so much brother. Coming to visit mom and seeing and hear you say "hi rainy". The times that we would just sit there and just remember the good old days and just laugh so hard that our stomach would hurt. Your where the best uncle to my kids and my grandkids.

Even though I am very sad to see u go I know it's god will. Your not suffering in silence like only gods know for how long.

Love u brother and RIP     *I*
