“ *My beautiful friend. My best friend. I will love you forever. Thank you for your love, caring, and compassionate friendship. I have always treasured the times we had as High School kids and times our families have shared together as adults. You have been a blessing in my life. Until we meet again!*

“ *Those we love never go away, they always walk beside us everyday... we don't see them nor hear them but they're always near, still loved, still missed and will always be in our hearts. Rest In Peace my friend, you're gone way too soon, God has a new beautiful angel in heaven.*
