“ Jean, You were not a sister-in-law to me. You were like a sister. It will be strange not hearing your voice on the phone saying" Well, how are you?" and you laughing at some silly thing that I said. You will forever be missed.

“ We're so sorry that we've all lost the beautiful Meme. We're so lucky to have known you these past couple of years, and are so grateful for the kindness and love you've shown Harrison. You will be missed more than you know. I'll try my best to make your famous fried chicken and milk gravy for Natalie - I know it was her favorite dinner that you used to make. It won't be the same, but we'll raise a toast to you while we're eating it!Rest in Peace with Your Loving Husband,

“ It is with great sadness and our Deepest Sympathy, that goes out to your family in this very fragile time of having to endure the end of an era. Dearest Sweet (vivacious) Memes, who has departed from this worldly home to your Heavenly home, where we now know, you are eternally reunited with your loving & very dedicated Life mate (feisty) Gramps. You have always been a joyful pleasure to us and we take great pleasure and feel very fortunate to have known you. We will relish every precious memory with you, which will stay with us, like the Treasure you were, in our hearts mind. With Deepest Sympathy & great sadness,
