Diti Dodson

1925 - 2019

An amazing life has come full circle. Diti Dodson was born in Germany in 1925 the daughter of a physician and math and physics teacher. She was the second of six children. Diti grew up during World War II in the loving bosom of her large family. Despite the most difficult times they survived and had the strongest loving bonds. Diti studied medicine and worked at the Wiesbaden Airforce hospital where she met a young American pediatrician, Jerry Dodson. They were married and moved to California in 1964. Diti was enchanted by La Habra Heights where they bought a house that the two of them lovingly transformed into “Ceilito Lindo”. Hosting many wonderful Christmas parties, family and friends over the years. They were active in many local community groups including the Lowell Joint School Board, Chamber of Commerce, Historical Society, PTA, Art Docent, incorporation of La Habra Heights, Highland Riders, Girl Scouts, CHOC, Meals on Wheels and the Woman’s Club.

Diti lost her beloved husband in 1987, she found ways to bridging his loss by immersing herself in the care of her six grandchildren and seeking the close connection and support of her many close friends. Diti is loved and remembered by her daughters Mia and Stephanie and their families. “
