“ Your leaving left a huge hole in the hearts of your children, friends, and community. Although they will continue to miss you, they are looking forward to meeting up with you again in heaven, when you will remember everything and recognize everyone, in a body without pain or the ravages of time. God has blessed you. God, grant your children peac and comfort from the Holy Spirit.

“ Jill, no one is ever ready to lose their parents, unfortunetly we all do at some time in our lives, but we must remember to cherish all those wonderful memories of them. You are a strong woman but even strong women need friends. I may be several miles away but always here for you. I do not know that feeling of loss n cannot relate but I can listen. Know your always in my prayers n thought of often. Love you!!!

“ *Dad: Words cannot express how much I love and miss you. Your quiet strength, your gentle manner, your love of life, family, friends, God, and country were inspiring. I will carry you in my heart and soul until we meet again.*
