

## DONNA LEOMA AGOSTA

December 13, 1939 - April 15, 2019

Donna Leoma Agosta died April 15, 2019

Donna was a vibrant soul who loved deeply. She was an amazing artist and adored flowers. Her favorite colors were pink, green, and lavender. She loved to spend time with her mother lunching and shopping for antiques on Saturdays.

Reading and gardening were among her favorite things to do. Her greatest joy was her beautiful children and grandchildren. She always made all of us feel so loved and special. She was always happy and caring. She cherished spending time with all of her family and extended family. She will be so very missed! If you knew Donna, then you were most likely laughing. All who knew her felt her kindness and understanding. She missed her late husband Russell and spoke of him daily. She loved God and carried her strong faith with her always. She is survived by her 2 sisters, 5 children, 11 grandchildren, 9 great grandchildren, and 1 great great grandchild.

“ Donna, was one of my favorite human beings on this planet! She was strong, a bit strict, protective (you would never find those dead bolts unlocked!), funny and so full of life-advice!

*A beautiful soul!*

*I will never forget her sense of humor and the love she showed her family. I carry with me many memories of being in her home, sitting with her and talking...I have a whole team of employees who fold towels the way she wanted exactly the way I learned to fold them at her house, haha!!*

*I will never forget one time after an earthquake, at school seeing a mom coming across the quad. Yup! It was Donna who had driven to the school to pick Rose up and take her home for safe keeping. Of course, we were laughing, Rose was mortified...but I think it just showed the love and care she had for her kids and I hope that I can be as good of a parent and be beloved by my kids friends as she was.*

*Love you Donna!*

*Oh so saddened to have found this. Rose and Mary and families, please know that I'm keeping you in my thoughts. So many gone now . . . Larry passed on March 1 this year. All the Gang-Nail fellows are gone . . . Jerry Varner passed last year. Probably names that you don't recognize, but your Mom and Dad touched so many lives. Your Mom was so kind to me when Georgianna passed all those years ago. So much sadness mixed with so much joy! I treasure the memories.*
