“*Mrs. McAtee (Donna, as she urged me to call her so many times, but I could not seem to break my childhood habit) was a bright light to anyone that came in contact with her. She was always so cheerful. Heaven has another angel!!!*

“ You are all in my thoughts and prayers. My fondest memories of Donna are learning to play the guitar at her house on summer afternoons. Babysitting the kids and Donna & my Mom (Velda) on shopping adventures. Donna was always learning something new and creating something. You will be missed so much!

“ I liked Donna from the very first time our husbands introduced us. I admired her smile, warmth of her laugh, her kindness and her compassion. She always made me feel loved and welcome. I will never forget how she sat by me all night when my husband died and was right there with comforting words or a gentle touch to help me through. I am blessed to have had her as a friend. Just as most people feel when they lose someone so dear too soon, I wish that I would have spent more time with her. Love and prayers to Jim, Kim and Tim and family, Mouse
