“ *Lola, I will always be your mistaken youngest daughter. When I was a kid living with you and Lolo during the summers, people in Cash & Carry and other stores always said, "Bunso mo, Day?" You were always beautiful and posturyosa, and cooked so well.*

I am happy to have visited you yearly since 2015 Lola. May you have eternal peace in heaven.

“ *Mom, you will be a part of my heart and memories forever. You were such a supportive, warm and loving person. Fiercely loyal. And your laugh would fill the whole house. You always went out of your way to prepare me all my favorite foods. And you always put the ones you loved before yourself. I learned so much from you about life and love. And I never got tired about hearing about your amazing life. Until we meet again. I send all my love.*
