“ To my buddy..thank you so much for "fixing up" my 57 Chevy truck! I wouldn't have trusted anyone else with it. George...I will forever remember you my friend, our long days sitting outside while you worked and I watched..lol, you were a funny, strong man, and all who knew you will miss you. We talked about our Lord, our families our lives, everything and especially the neighborhood. Thank you for looking over us there on the corner George. Velma says "now George is watching down over all of us from heaven, now who will we wave to as we turn from Superior onto Fonda Street?" George, also thank you for planting the trees along the dirt area on Superior, making it look better...miss you bud, now and forever...God speed mi amigo!!! Albert and Velma Ybarra 316 S. Fonda St.

“ *Not a day goes by that we pass your home and we look hoping to see you wave good morning or good afternoon to us. Over the years you have watched over our neighborhood and we know you will continue to watch over us from up above. You are truly missed by many of us. May the Lord bless your family with peace and loving memories of you. From your neighbors The Medina family S. Fonda St.*
