“ To the boys, daughter-in-laws, grandkids and other family and friends:

*I was so very sad and sorry to hear of Gloria's passing! But know she was not happy with the way things were. I know she loved her boys - Greg, George and Gary and her many grandkids and daughter-in-laws so much and many family and many friends.*

*When my sister, Georgia married George - we became part of the extended Tuttle family.*

*I always loved Gloria and she was so good to me, Dan, Jennifer and Cristi. She did love to plan things! She loved my girls and would love to cuddle with them when they would let her. We have great memories - especially of the 4th of July - such fun times!! Halloween was another time when we would come over to your parents and bring the kids and go trick or treating and have all kinds of other goodies she had out. Fun times!!*

*Much love is being sent your way!! Dan and I wish we could have made it out for the service. Know that we will be there in thought and prayer.*

*Remember the good memories! She is now at peace and in heaven.*

*God bless you and prayers for you all during this sad time.*

*Much Love Cathy, Dan, Jennifer and Cristi Stitz*

GT

“ Mom was a planner an organizer and loved her roses. I remember when I came back from Arizona and was living at the house. I came home one night to a bed full of advertising for new homes well I got the hint it was time to get my ass out of the house so I did and it was a great deal she found for me.

Mom loved grandkids and if she had her way she wanted many more but she loved them all and treated them the same but she did favor the girls I have to say..

Love ya mom!

Greg
