“ My best most favorite memory of my uncle and this is definitely making me cry...was watching him drive. He drove with such calmness about him as if NO CARE IN THE WORLD. Never going fast, never in a hurry, and the best part was him whistling all the way...through his teeth!! I remember asking him to teach me how to do that! He tried teaching me, but I couldn't do it!! He was such a LOVING uncle always tending to everyone's needs. His example of God's love was impressionable and everlasting!!

“ *Visits to Auntie Virgie's and Uncle Hector's was always an adventure. I was one of the youngest cousins, and Uncle always would make sure that I was laughing and having a good time during our visits in case the older cousins were preoccupied. He would sing to me a funny little song in Spanish or quite possibly made up words. I wish I remembered the words to the song or what it meant because it was one of my favorite memories as a child. Love to my auntie, cousins and all his grandchildren. His positive energy will live on through us! Roxanne (Castro) Coover*
