“ *Ms. Schumer was Brahe mother of my High school friends Susan and Michelle. I remember her with fondness for her strong character and great laugh.*

“ *Sue's Mother and my paternal grandmother were sisters. When we made trips to California from Montana in the 50s we always stopped in to visit with Frank and Sue and I have wonderful memories of those trips. I last saw Sue at a Loch funeral here in Montana about 6 years ago. She was a wonderful person and just a lot of fun to be around. It's hard to believe that she is the last of the Frank Loch "Kids". What great people they all were.*

“ Sue was my mother-in-law Ina's best friend when they both lived on Maxim Avenue and remained so even after Sue and Frank moved to Sunnywood Drive. Sue had a special way of bringing people together and making them feel loved and cherished, even if they were not related by blood. Thus, the Schuler family became my husband Michael's second family and later mine. Nothing cemented this closeness more than the famous Chinese dinners the two families cooked and shared together. When I think of Sue, I think of a woman who was a wonderful wife and mother and friend, both funny and caring, always making that special effort to keep in touch. She has left her mark on all who knew her and loved her.

“ My thoughts thru time brings a smile with the comforts Auntie Sue gracefully shared in as my extended family. A burst of energy and a taste in class, just like her home canned spicy green little tomatoes! Yum! Now to be with my Uncle Frank and to restart with a new chapter, as they continue to complement each other and their children.  
With solar warmth from the heart,  
Tommy

“ *My deepest sympathy to all the Schuler family. Sue Schuler was a loyal friend and mentor to me all of my life. She taught me how to sew, she was my confirmation sponsor, and she stayed in contact with me through all the years since Sunnywood Drive. Thank you for sharing your mom with me--Susan, Michelle, Beth, Stacey, and Mark. She was a smart and special lady.*

*Love, Sue Emery*
