“ My beautiful sister-in -law Mabel Perez,you were one great person that God Needed and wanted more than us. he knew your pain and heartache having to leave us all so soon. we cried, laughed, shared memories of you. and know we will see you again. I miss you so much I think and talked to you every night when I'm alone and wish I could phone you just to say hello and to hear yur sweet voice at the other end of the line. miss you much. love your sis Liz and brother Junior. :-)
