

John Adkins

August 1, 1925 - December 28, 2013

John Irwin Adkins, Sr. was born on August 1, 1925, to Percy I. Adkins and Mattie L. (Thomas) Adkins. John, affectionately called “Butter” or “Tuffy”, attended and received his education in Chicago Public Schools at Nicholas Copernicus Elementary and Lindblom High School (class of June 1943). He served in the military during World War II and received an honorable discharge from military service on May 3, 1946. In June 1948, he married the love of his life, Dorothy Ruth Taylor, who preceded him in death. To this union three children were born: John I. Adkins, Jr., Diane M. Burrell, and Sharon A. Adkins.

John was employed by Kellogg Switchboard as an Assembler. Kellogg quickly recognized his potential and promoted him to a management position in the early 1950’s. When Kellogg relocated out of state, he gained employment with the United States Postal Service. Again his enormous talents and skills were immediately acknowledged and he advanced into a management position. John believed in hard work and providing the absolute best for his family. While working at the Post Office, he earned his real estate license and started Adkins Realty Company. He joined Ingleside Whitfield Methodist Church on April 14, 1963. John was an avid golfer, sports aficionado and loved music, especially jazz. In August 1986, John and Dorothy relocated to sunny California. John crossed over and made his transition on December 28, 2013, in Fullerton, CA.

Among those who loved and will cherish his memory are his children John I. (Leslie), Diane (David) and Sharon; his grandchildren: Delena, Christopher, Deanna, Lenore and Philip, and a host of nieces, nephews, great nieces and nephews, cousins, relatives and friends.

“*“Unk”, I always thought of you as the “model” husband and father. You and Aunt Dorothy were the cutest couple and had such a good relationship. I have so many wonderful memories of our family get-togethers. I’ll miss talking to you, but I’ll remember you always. Love you. Rosie*

“*My Unc, Mr. Cool - January 9, 2014 Posted: January 9, 2014 | Last Revised: January 9, 2014 At my impressionable pre and early teen years; “Unc” (1st cousin) was the most positive Black male image I had. He was so cool because he had a wife, “Aunt Dorothy”, that actually wanted to drive a stick shift car! How cool is that? Then I would hear Herb Kent’s music (Our music) coming from his house! But later found out that the only reason Herb Kent was on was because they were waiting for “Their music”, DJ’d by Sid McCoy! My introduction to Jazz, which I consider to be a life changing experience because Jazz is what adults listened to. Then, of all things; a Chicagoan up and moves to California! Who wrote that? My Unc, that’s who! Evidence of how that impressed me, I now live in Las Vegas, Nevada. So possibly without him ever being aware of it, Unc was the most positive influence of my entire life! And I always thought that I would have time to thank him. Now I know he knows; and I hope that he is proud that he was the person that I tried so hard to emulate. R. I. P.*

“ To the family of Mr. John Adkins,I offer my deepest sympathies to the Adkins family at the loss of their patriarch Mr. John Irvin Adkins, Sr. Mr. Adkins was an exemplar of intelligence and compassionate strength. His love of sports was infectious and his smile was radiant. And although he never got me out on the golf course, I fondly remember his many sports stories and analogies which, more often than not, contained pearls of wisdom and grace just as he lived. I will miss you much Mr. A Love, Jeffrey Chism

“ To the entire Adkins family..Don't weep as those who have no hope, this earth is not our home we have been told that we are simply sojourners passing thru. While your hearts may be heavy now the sun will shine on you again and the joy that appears to be elusive will come in the morning. TO THE GOD OF HEAVEN BE ALL HONOR, GLORY AND PRAISE IN THE NAME OF JESUS.AMEN.

“ I am praying for your family during this time. I want to say how much I appreciated Sharon & Chris for sharing their father/grandfather with me. You have been my family when it felt like I didn't have one. Mr. Adkins was really kind to me & apparently, appreciated a girl who liked sports. So, while I know there's going to be sadness and grief. I know, Mr.Adkins is up in heaven enjoying non-stop sports channels with Mrs.Adkins at his side.
