“ John we rolled on the truck together for 5 years. Through thick and thin we were together and had each others back. In love and appreciation I think of you often. You were hard on everyone and hard on yourself. I loved you ...it is true only the good die young. Johnny we will soon meet again, stay strong on the other side and help us all along our way.SF

“ John you were so dear to us and we will miss you. Dennis and I held you so special in our hearts and are grieving with your family. You are in Heaven with Dave now but are loved by us all.

“ Thank you John for your friendship, your wisdom and insight, your loyalty and generosity, and your amazing cooking. It's an honor to be your neighbor. From our family to yours, we pray for you and your family, we pray for your friends and colleagues and all the people you've helped unconditionally over your lifetime. You will be deeply missed, but your spirit lives on in the minds and hearts of those that you've left lasting impressions on. We love you John Rooks, forever and always.-The McGee Family
