

Josefina Gonzalez De Ramirez

September 13, 1954 - April 16, 2026

Josefina Gonzalez de Ramirez, age 71 loving mother of three and adoring grandmother, passed away in the quiet beauty of a Spring afternoon on April 16, 2026, she closed her eyes to this world and woke up in the arms of peace. Josefina was born in 1954 in Silao Guanajuato Mexico, and grew up surrounded by her loving parents and six siblings. Josefina embarked on a journey of a lifetime shortly after her wedding. She left her family and home town and moved to the United States with her husband Emeterio Ramirez. There they settled down and had three children. Josefina was a very loving, nurturing, warm, and understanding mother. She gave selflessly and raised her three children on her own after the death of her husband. She learned English and put herself through college to become a preschool teacher. She taught and prepared several classes for Kindergarten. Many of her former students remembered her and the impact she had on them as they grew up and went to college themselves. Josefina loved to garden in her free time, and everything she touched bloomed with great beauty. She retired from teaching but enjoyed it so much she taught and prepared her grandchildren personally for Kindergarten. Mirielle, Andy Jr. and Alejandro Jr. all received academic excellence and recognition in Kindergarten, and that set the pace for their future academic success. She loved all of her grandchildren very much. Josefina was the prime example of strength, beauty and selflessness. She will be greatly missed by her family who love and adore her with all of their hearts. Josefina is survived by her three children, granddaughter and 4 grandsons.
