“ Joanna, my deepest condolences to you. I know your dad had been sick on and off for awhile and am sorry it had to come to this. I last saw you at St. Jude at the front desk when you visited him. I found the obituary entirely by coincidence. My friend's father was interred there recently and I hoped to check his guestbook, when I came across your dad's. I wish you and your family all the best & I will keep you in my prayers. I know this must be difficult for you.
