“ Graig, Kevin, Becky and extended family,I am so sorry for your loss. I will cherish my memories of Joe; always a smile and kind word or great story. I think of his home with all the guys hanging out in the garage when we were in high school. The beautiful furniture he built that still adorns so many homes. A good man that touched the life of many. He was a precious example of the kind of man that everyone would want in their lives. Joe, may you rest in peace and know you will always be remembered fondly.Love to all,Ronda
