“ My heart goes out to those June held close. I feel fortunate to have been touched by Grandma June. Such a gracious lady, so full of love, laughter and acceptance! She and Grandpa had that something special.... she certainly brought delight and comfort to that "Sour Kruat." I admired their wonderful relationship. Heaven is hosting a huge square dance in her honor! Love you, Grandma June!!

“ *Not all people are lucky enough to find one great lady to spend their life with, but my Uncle Meinolph got lucky twice. After my Aunt Martha died, he married June and we considered her our Aunt also. She was a wonderful lady and made my uncle happy. We enjoyed all our talks when they would drive out to Colorado to the family picnics. She has been truly missed at our reunions the past years and will always be remembered by those of us who continue to gather. Our sympathy and prayers for all the family.*
