“ I will miss seeing Karen and her smile. She was a thoughtful and respectful lady who never had a mean thing to say about others. I will miss not seeing her at lunch and hearing about the latest movie she saw and where her next trip is.
Rest in peace Karen and know we all love you.

“ Patrick/Kristen - we are so sorry that your mom won't be there when you raise your own children. She was a great woman and it was a pleasure to know here and spend time while you guys were just kids. She loved you bunches and it showed. She's an angel now shining her light down on you from above. Cherish her memory always and she'll be in your heart.

“ My deepest sympathy go out to the family of Karen. I had the privilege of working with Karen in 2008. I sat in front of her. With the short time I knew her, she was always always so happy and always greeted me with a warm hello and smile. She was a wonderful person, I know your loss is so devastating, that she will truly be missed. My heart goes out to all of you. God bless and be with you in this time of sorrow.

“ I talked to Karen almost every day as she would walk my desk to go the rest room. We always made some small talk, about what's going that day and what we did over the weekend. She would always tell me which movies she watched and I would tell her which hikes I did and how many miles. She always had a smile on her face and very polite. I will miss her dearly.

“ To Karen's family,
I sit across the aisle from her desk and heard her daily on calls. I can still hear her friendly, calming voice on the phone with customers! I am seriously missing that!
I will keep you all in my prayers to get thru this difficult time. Always remember to fill the void of her presence with lots of memories about her to keep her spirit alive! She will be deeply missed here at Edwards!
