“ *Kathy was a regular Friday afternoon visitor at my mom Jane’s house, where they would visit, laugh, and drink coffee for hours, even if it was a HOT summer day.... which at the time seemed so strange, but now is completely relatable! I was always so grateful to Kathy for coming over and bringing Ricky & Julie with her, and I have so many great memories of hanging out with them while our moms caught up as we ran through the house causing chaos & attempting to eavesdrop whenever possible. Some favorite memories would have to be when Kathy came over to teach all of us how to make her family’s delicious traditional tamales, and the times spent together at Kathy’s summer rentals in Seal Beach. May Kathy, who was a kind soul and wonderful friend whom will never be forgotten, Rest In Peace. - Karen M.*

“ *Kathy was a dear friend. I met Kathy at Cal State Fullerton and later went to graduate school together at CSPP-LA. Kathy was a sweet loving individual who was a great friend to me. We supported each other through difficult times and she will be sorely missed. Love you Kathy and my best to Rick and Julie. Dr. George Nalbach*
