“ I am so glad Terry and I moved from Seattle down to Southern California a little over 4 years ago. It gave us more Barnett family time and I'm so glad we did, because we were able to spend precious time with Uncle Kenny that we would not have had if we had not moved when we did. I'm so glad that we did get time up at the cabin with everyone and we got to go out on the lake with Uncle Kenny on the skidoo. He was definitely having fun on that lake. And when we moved into our house and asked Greg if he could come help Terry pour a concrete foundation, to set up our swimming pool, Uncle Kenny & Jeff showed up with Greg. He sure loved his family & was always willing to help anyone that needed help. I bet Uncle Kenny, my Daddy, Uncle Derral, Uncle Bob & Uncle Charles are working on a car now up there in heaven, with Aunt Lucy and Grandma Carlynn supervising and laughing. Uncle Kenny, you will be missed, but never forgotten. ❤️

“ I have the best memories of my Papa! He was a hard worker who was dedicated to his family and friends. As a kid I loved snuggling up with him on his chair and reading together. My papa loved the outdoors and worked hard to make their cabin a home away from home. We have great memories of celebrating Thanksgivings there, playing in the snow, and enjoying the lake in the summer. He was a constant support to anyone who needed it and will be **GREATLY MISSED!**

Papa, I know you've got a seat at the best slot machine in heaven!

👉👉👉 Love and miss you always!

“ Growing up he was the best dad I could have ever asked for. He always loved his family. After I got married to Kerri we had our two daughters he was a great grandfather (Pa Pa) as Crystal and Ashley called him. Him and mom loved going to breakfast and they both loved going to the cabin loved going to the family dinners at thanksgiving and Christmas loved going to the casino. It's so hard to say goodbye Love you always Dad.

“ I have so many memories of my Papa that I'll cherish forever. I'll never forget our trips to the cabin, practicing softball in his front yard, and all the fun we had. He was a great man who loved his family and friends! He will be greatly missed.
