

## Kenneth James Moreno

October 21, 1954 - November 24, 2021

Kenny's wings were ready, yet our hearts were not. Kenny is the eldest son of Oscar and Alice Moreno. He has three sisters, Becky, Cathy, and Stephanie, and two brothers, Mark and Eddie. Kenny leaves behind, Alma, their children, Kenneth Jr., Sandra, Delores, Oscar, and Sophie as well as their seven grandchildren, Mercedes, Daniello, Romeo, Andrew, Trinity, Ashylen, and Madisyn; and one great-grandchild, Issac. Kenny was known by many as Canuto, son, father, grandfather, brother, uncle, nino, and cousin. Kenny was loved by family and had many friends but considered them family. His closest and dearest friends include Bud and Rebecca, whom he was grateful for. Ken said, " Don't cry for me, I did it my way. Just remember the good times we all once shared."

Him and I would laugh and joke for hours on anything and everything. You will be missed Kenny very much so. Say hello to Tracy ok. Hugs and kisses love you Kenny. And my condolences to the Moreno Family.*

“ To the kennys mom, Brother Mark, and sister Cathy, may you find comfort knowing hes not suffering anymore. Kenny was a good friend of ours at Bud and Beckas house in Ontario. While we saw and spoke with him everyday of the last few months of his life Becka and Bud were at his side so he was seldom alone. Kenny knew he was loved by all especially his family. The silver lining in all this is we gained more family .new brothers and sisters so please call on us whether its bud, becka, Rudy, alex, lupe,. Kenny is gonna be missed tremendously. Missed by many others not mentioned. He defintley. Touched all our lives and taught us all how life is so precious so to all who read this thread dont wait or hesitate to say how you feel to the people who mean the most in your life. We love you Kenny

“Dad this seems so unreal to me . I thought you would always be here in the back of my head . It is so hard for me to even type this because you always told me not to cry it's a sign of weakness . I can't help but cry . All the childhood memories just come back to me & I say to myself I'm just like you in so many ways just a female version . I have survived loss & growth in my life because you instilled in me to never give up , don't show my weakness always have a game face and be strong , always hustle in all I do & never take shit from no one & never be scared of no one . You are resting now & in a better place not suffering . Rest  
At ease knowing that all of us are gonna be ok Dad . All your children are strong because of you . We are fighters survivors ..... I instill all those things in my girls daily . You went knowing your granddaughters are doing good in college working on their degrees . I have so many emotions. I have so many memories . I hurt to see Kenny Jr hurt cause he loves you so much dad . Forever in our hearts , never forgotten . We love you dad .
