October 10, 1966 - August 22, 2014

Life Legacy

# Tribute Wall

KH

“ *I have many fond memories of Keri mainly from when we first started attending 1st Presbyterian in Fullerton. She always had a kind, gentle spirit about her. I'd lost touch with her after high school but I have no doubts that the same girl I met as a child was the same kind spirited woman in adult life...my prayers are with her family.*
