“ Aloha Julie and family,

I was searching the web to look for Koin's contact info to renew our friendship from college and found his obituary. I studied with him at UH and went to work immediately at Pearl Harbor after graduating in January, 1967. I did get to meet all of you once when due to boh your generous hospitality, allowed me and my 3 children to stay overnight, while waiting in L.A. while my wife and her mom was in Texas for major surgery.

I miss Koin a lot and wanted to make him a member of my wedding party in 1967, but did not know how to contact him. As classmates, he was always cheerful even though some of the courses we took were really tough. I have said a prayer for him and will keep uou and your family in my prayers. Sorry for the late condolences.
