

LaVerne Tilly Rasmussen

November 2, 1921 - May 30, 2014

LaVern was born in Menasha, WI. She lived there throughout her growing up and marriage to Gaylord. He moved the family to Fullerton, California in 1956 for his work.

They lived here even with the passing of Gaylord who is buried out at Riverside National Cemetery.

She loved her son, Gary(Donna), her five grandchildren; Tammy(Jon), Ozeda(David), Jacob(Tracy), Eric(Aubriel) and Noel. She really enjoyed and loved her 15 great grandchildren dearly.

She enjoyed singing at convalescence homes up until the beginning of this past year with the Kitchen Band of Fullerton.

She will be missed and will live with us through our memories.
