“ To the family of the man known to the Quarter Midget Racing community simply as "Grandpa"...I give my most sincere condolences. Although I hadn't seen Lorin in years, the great memories that my family have of him will remain forever. Grandpa...it was truly amazing how you were able to share your passion for racing with so many deserving kids...to give them the chance to try racing...a dream that they may not have had the means to fulfill without your help and generosity. Godspeed

“ Saturday nights won't feel right for a while without a home cooked meal, good company, and great conversations. You brought the family closer together with nothing but open arms and a big heart, bless the impact that you made on this family and the wonderful people you've grown to be friends with past, present and future. Rest peacefully as your legacy lives on? Love you grandpa
