“ Grandma (Bryce) Laurent, I spent so many summers and so much time staying with you. You raised me with so much love. You spoiled me, lol. You taught me to drive. One day after you picked me up at home to go to your house in Redlands you pulled over and said "Take us home Jeffery" and you let me drive a couple cities over. I remember the time I took the Amtrak up to your house in Oxnard and that was my first time on a train. I miss you so much and 13 years is coming up on your passing. Me, Dennis, and Susan came up a few days after Xmas out of the blue to come visit and Jimmy happened to be there. What a joy that we got to see you a few weeks before your reunion with grandpa Bryce. I know you there with mom, dad, and grandpa watching over us. I miss and love you. Love you, your favorite, Jeffery Jon...
