“ *Manju, I will miss you and our many conversations we had over these many years. You brought much JOY to my life, probably more than you know. I always loved your sense of humor, and will forever remember the love that you had for your entire family. Your optimism for life and "can do" attitude was very contagious and appreciated. I will always remember the example you and Kishore and your entire family set for all to see on how a true, loving family should always be. I know your legacy and examples of life that you displayed will continue for eternity.*

*It is an honor and privilege to know you and as I sit here with tears in my eyes, know that you will be deeply missed.*

*With much Love,*  
*Dana Terry*
