

Maria Asuncion Frausto de Vega

September 18, 1935 - August 10, 2020

English Version:

Maria Asuncion Frausto was born on September 18, 1935, in the City of Tangancicuaro State of Michoacan Mexico.

She is survived by her children: Angela, Teresa, Miguel, Jesus, Jose and Guadalupe, 23 grandchildren, 30 great-grandchildren, and one great-great-grandchild.

Asuncion lived a long life of almost 85 years, during which she faced from an early age, poverty, hunger, misery, and when she had her 6 children, she also faced not having the support of her husband, having to perform the role of father and mother.

She did not have much education but a great intelligence that helped her get ahead and thus her family prospered.

She always faced everything entrusting herself to God and working tirelessly to give food, education, and faith in God to all her children.

She was very loved by her family, friends and neighbors because you could always count on her if help was needed, in truth she was always a pillar that

supported those who needed it. Unfortunately, having to be the force that propelled us to prosper cost her a lot physically since she suffered from hunger and diseases that destroyed her health, and eventually after many battles she finally lost the war on August 10, 2020.

Mom you will be sorely missed.
