“ My mother, Nevada, we were lucky to get 11 more years with her after her stroke in Feb. 2006. Surprisingly, she lived a very happy life since then. She was blessed and so were we. I know she is with us watching over us today. She had a beautiful funeral. Thank you all for your kind words and shared memories. It was hard letting go of someone we loved so much. See you on the other side Mom.
