“Oly was one of my friends that quickly turned into family. Her faith in God and love for church made us very close. Her kindness was my favorite. Her love for Mo and the girls was extraordinary. She was also one of the best cooks. She was funny and I loved her jokes. My son would tell her, "I like pie!" She would tell him that, "She likes pie!". It was their private joke. They would laugh so much. Silly Oly. God bless you I love you and I love your family.
