“ Nani thankyou for touching all of our lives with your sweet and caring soul. We will forever be grateful for all that you have taught us. I have fond memories of you visiting us in New Zealand as children and getting us ready for school, cooking, baking and sharing stories with us. I’m lucky enough to have your old baking tins so I will think of you whenever I’m baking. I know you are up there watching over us with that beautiful smile and cheeky laugh.

Love you always Kamal & Adam Booth

“ I most memorable memories of Ma is when my parents were gone and she would take care of me. She would always help me build my legos and would build me paper swans and boats. She was so caring and thoughtful and insured others before her. She was the kind of person to enjoy spending time with you. She will never be forgotten in my heart and will always live with me for the rest of my life. LOVE YOU MA ❤️

“ *Ma! Always smiling, loved to do her gardening, even if there was no gardening to do she would find something to do. Loved to cook and whenever she had a chance always found a way to go to the Gurdwara. She had taken care of us and especially my kids. They will miss you a lot MA! Thank you for taking care of them by just sitting down, watching them and drawing pictures with Aaliyah. My kids saying Hi MA was the highlight of her day. She always saved my kids from getting yelled at from me. We have so many memories of her and I will always make sure my kids don't forget you MA. Such a sweet, caring and soft spoken lady. Never got mad at anything. I hope you are resting easy and you are at peace now. We love you and miss you very much.*

“ There are people you meet that have this presence within them that you can never get enough, and they never run out of to give. The Beauty, Kindness, Character, Full of Love and Thoughtfulness these are a few of those genuine and generous gifts Maa shared freely. I'm so blessed to have shared time with such a wonderful person, I will miss her very much.

We shared a love of plants, and we could talk for hours. She also loved to cook and would share the recipes, though I'll never master most we always had fun. From fresh yogurt to jarred Thai chilies and everything in between.

I will miss her Smile and Laughter.

Rest now, Your work is done
