“ Dear Paula, How about that funeral? I know that you were watching from above and said, "WOW look at all those beautiful flowers and they are all just for me"! And how about that reception? The food was awesome, your friends and family were there and it was a wonderful tribute to YOU. It was a lovely funeral and Darrell delivered a very loving tribute to you, you would have been proud. I miss you already, and hope that your finally at peace. I know that life in heaven is where you really wanted to be, you were struggling so bad here on earth. We will all miss you, and I want you to know that. I loved you very mush, and I know you knew that. We always said that we loved each other before we hung up the phone, even when I was mad at you. Rest in Peace my dear Paula. I'll miss you more than anyone will ever know. You held a spot in my heart for a very long time and now it is empty. Till we meet again my sweet....Renee

“ Paula, Paula, Paula. "I can't believe" That's what you'd say whenever you heard of a tragedy on the news. Your passing is such a tragedy in so many ways for those you left behind. Your children, your family, your friends, all "can't believe" you're gone. And, Dad. He still waits for your calls and now his day is incomplete and he misses you deeply. I know you are in a better place now and there were many waiting to greet you... Tell Mom how much Dad and I her miss her. And, I'm sure by now you've tracked down Elvis and are telling him about that time in Vegas. Please know that I did love you and "I Can't Believe" you're gone.

“ *I'm so sad to hear of the loss of of my dear friend Paula. We had so many good times together way back when... I had lost track of her when I moved up north, and couldn't find her after I moved back. Oh how I wish we could have gotten together for old time sake. I remember the time we were in Las Vegas, and she went up the elevator to see "ELVIS" (I chickened out) She was gone about 5 min, and back down she came, jumping up and down, hugging me, saying "I saw him, I saw him, he was that close" I asked did you talk to him? No she said I got scared, and came back down... I told her go back... Go back.. So up she went again, but came right back down saying the guard was up there and told her she wasn't allowed... She had such a sad face, but all she talked about the whole weekend was how close she got to him. Always a pleasure, always fun, always beautiful, that's how I'll remember her. Goodbye my friend, and thank you for the wonderful memories..My deepest condolences to her family.*
