“ *Wish we had gotten more time together....till we see you again.....*

“ *I will hold the time I had with you in my heart forever. Do not stand at my grave and weep,I am not there... I do not sleep.I am the thousand winds that blow...I am the diamond glints on snow...I am the sunlight on ripened grain...I am the gentle autumn rain.When you waken in the morning's hush,I am the swift uplifting rushOf gentle birds in circling flight...I am the soft star that shines at night.Do not stand at my grave and cryI am not there... I did not die...*
