“ *Dr Chopra and his dear family,
I just learned of Dr Chopra’s passing after a request for him to consult on my brother’s case at RCH. He was dedicated to his profession, Riverside Community Hospital, Parkview Community Hospital and Glenwood Surgery Center can only understand with his passing how truly fortunate they were to have a physician like him, so dedicated (maybe too dedicated) to his patients and his profession. The medical community needs more physicians just like him. He treated my mom repeatedly for an unspecified gastrointestinal bleed, and went above and beyond giving her peace of mind and excellent care. He truly had a big heart. My prayers are with you, Dr Chopra and your family.*

“ *Dear Manju and the boys, please accept our sincere and heartfelt condolences. As you well know, Rakesh was a good friend and we shared our love of Cricket! He always had time to discuss game and the performance of the Indian team, however busy he was at work. As neighbors in Riverside, i had also spent many hours watching Cricket on TV together.
Rest in peace my friend, we meet again in yonder shores. Praying for God's blessings on your soul and your loving family.

“ *I had the honor and privilege to work closely with our beloved Dr Chopra for 34 years at Parkview Hospital. He was not only a brilliant mind who taught me so much about medicine and life; he was a dear friend who's shoulder I cried on many times. His absence will be profoundly felt. He was one in a million and can not be replaced. My prayers are extended to his beloved wife and sons whom he shared so many treasured stories with us. May the Lord comfort you. May our dear Dr Chopra rest in peace. I love you .*

“ Shocked to hear sudden demise of my friend Rakesh & join the family in this hour of grief.
I'm reminded of my school days at the New High School Ludhiana where we studied, he used to pillion ride on my bicycle 🚲 back home. Also some of the memorable moments we spent at each other's homes.
Rakesh took very good care of my son Ramit when he got covid in LA, deeply touched our hearts.
Deepika joins me & pray to Almighty God to bless his soul, give Manju & kids and family enough strength to bear this personal loss.
