“ *Bob will always be remembered as a fine gentleman, and a great Hellcat! I have many fond memories from the 66th Hospitality Room. I am profoundly grateful for Bob's wisdom and guidance over the years, but especially during my transition to Executive Secretary of the 12th Armored Division Association. He was a fine role model and patient mentor. I am particularly grateful we were able to sit together at the banquet in Abilene this past August. God Bless Bob, always ready with a kind and supportive smile. My sincere condolences to the Von Esch family on this great loss.*

“ *I was Mr. Von Esch's court reporter for depositions in the 80's. He was a kind man, a fine attorney, and I highly respected him. So sorry for your loss. Lorraine Schrepferman, CSR*

“ Roy and I send our heartfelt sympathy to all of the Von Esch/Dickson family members. I met Bob at a Fullerton Chamber of Commerce breakfast in about 1979. I was just getting involved in city politics. I realized immediately Bob was extremely knowledgeable about city government and the business community. I was honored when he supported me for City Council in 1980. I always appreciated his insight and recommendations on issues coming before the Council. He never spoke from self interest, but rather what was best for the community. Bob was always such a kind man and always devoted to his family. Roy and I admired him very much. We enjoyed our friendship for so many years.

“ I also had the pleasure of working with Mr. Von Esch "Jr." and the family. Jr. will be missed very much but the fond memories of him will remain in my heart. My respects and condolences to the family. Angelica Perez.

“ I met Bob by taking his real estate law class at Fullerton College in 1973. He then represented me in a case in 1978. I also knew him from the many Fullerton Chamber of Commerce breakfasts during the 90's. He was always someone you were glad you ran into at events around Fullerton. Ed Paul

“ I grew up two houses away from Robert and his family... Brian was my best friend. One thing I remember about Robert Jr was how kind he was to me when I was a child. I grew up without a father present and I remember that Robert Sr. would bring me along with Brian and him to the "father and son only" activity "Indian Scouts"... That type of heartfelt compassion was rarely seen in those days. I will never forget him for that. I send my condolences to the Von Esch family.

“ I am going to miss Bob's smiling face at the reunions of the 12th Armored Division Association and the board meetings of the 12th Armored Division museum. He and I served for a short time on the board together. We have lost a great man, a member of this country's greatest generation. Thank you, Bob, for your service to our country and preservation of our freedoms! May you live in on through our memories forever.

“ It was with heartfelt news that we learned of Bob's passing in this mornings Register. We met when I retained Bob in a case in 1986 and became close friends over twenty six years. I felt honored to be able to just drop into his office for a chat or say hello and sometimes went flying together. This is really hard for me today! My wife Janet and I would truly like to express our condolences to his family and friends and will miss him terribly. Rest in pease my dear friend.

“ *Robert was an amazing boss and friend. It's not very often that a person actually looks forward to going to work but working with him and his family didn't seem like work. His stories were amazing. His passing has brought tears to my eyes and I know I will never forget him. My thoughts and prayers are with his family.*
