“ *How very sad to hear that this absolute scum bag is finally dead. He molested his own daughter and raped her friend while they were underage. Good riddance!* ”

“ My heart goes out to his wife and his family. Robert was a great friend and we also consider him family, he was always there when in need for business sense. He will forever be missed, his one liner always had me laughing. This earth lost a angel, but god gained a saint. My brother from another mother I look forward till we meet again in that grand place they call heaven. Your forever in my heart and thoughts.

“ To the Gomez Family, My deepest condolences to you all. Mr. Gomez was a friend of mine for the past few years. He helped me clear my credit and assisted me in making some business decisions. Especially, when I was able to purchase my home. I am proud that I was able to share this moment with Mr. Gomez. He was an angel sent above. Over the years, I witnessed how hard he worked and all the people that he helped. I will be forever grateful for his friendship and guidance. Thank you for laughs!! Mr. Gomez may you now rest in peace...vaya con Dios.
